Dear [Name],

We've recieved the results of your testing for a kidney transplant.

Our team looked at your records and found that a kidney transplant is not the best option at this time.

Because: (reason for removal)

If your situation improves, we would like the opportunity to reconsider you for a transplant.

To get started again, we would need the following: (enter needed tests/tasks)

When the reports are done, give us a call at (716) 898-5001.

We'd like hear from you if you have any questions or want to discuss this further.

Sincerely,

ECMC Transplant Team
