

We Can Help You Find A Kidney Donor

**Spread the word that they need a kidney.
You never know who will want to donate.**

Talk to people you know and give them our fact sheet.

Send an email. Use our sample email or write your own.

Social media is a great way to reach a lot of people. Link our videos to your post.

Yard signs, T-shirts, billboards, and ads can help too. See our examples.

Give us a call at (716) 898-6283 and we'll talk you through it.
